Mr. V. S. Kole was appointed as a tracer on tempy. estabt. in 1930. His services were dispensed with in a short period. Though orders were issued in the G.R.F.D.No. 3092 d/the 9-7-32 protecting the rights of retrenched hands, new persons were appointed in 1937 & Mr. Kole was left aside. In 1939 he was taken up on "work charged" estabt. The applicant requests that the condition of age limit may be relaxed in his case so that he can be appointed on the pt. estabt. The Ex. Engr, Kanara Divn & the S.E.S.C. have recommended his case for favourable consideration.

5. As regards Mr Kudwalli he exceeds the prescribed age limit by nearly two years. He is at present in charge of the Supa section of the Kanara Division, a highly malarious tract and has been working satisfactorily.

6. Since both these Subordinates are qualified and have gained sufficient experience in the Department, it is requested that Government may, in your concurrence, be moved to relax the age limit in these cases for purposes of their promotion as Officiating Overseers in the Subordinate Service of Engineers with effect from the 1st July 1944 on their present monthly pay of Rs. 70/

Subject:- Messrs. N.R. Kudwalli and G.V. Vengurlekar,
Temporary Overseers:
Relaxation of age limit in the cases of -

attached to the docket sheet

Reference: G.R.No.6717/36, dated the 17th July 1944.

2. In view of the increase on a temporary basis in the cadre of the Subordinate Service of Engineers for the Southern Circle from 76 to 96, it has become necessary to absorb as many qualified Subordinates i.e. men from the Poona Engineering College as are available for employment at the moment in view of the acute shortage of technical personnel in general and of experienced personnel in particular.

3. With this object in view, it is proposed to appoint to the Subordinate Service of Engineers the following two Subordinates both of whom are D.C.Es (Poona) and are at present working in this Circle, vide particulars given below:

Name	Date of birth	Date of entry in the Department	Age on the date of entry in service in P.W.D. Y. M. D.	Present Monthly pay	Service to end of August 1944 Y. M. D.
1. Mr. N. R. Kudwalli	2nd Feb. 1912	10th January 1939	26-11-8	Rs. 70/-	5 - 7 - 22
2. " G.V. Vengurlekar	2nd July 1914	7th August 1941	27-1-5	" 70/-	3 - 0 - 24

As they were overage at the time of admission in the Department, they cannot be taken on the permanent establishment without the sanction of Government.

4. Prior to his appointment in this Department Mr. Vengurlekar was in the service of the D.L.B. Belgaum where his services were dispensed with on reduction of establishment, from the 6th August 1941. He joined this Department on the next day and has not had any break in service. He was within the prescribed age limit at the time of admission into the D.L.B. service on the 7th July 1938 and thereafter his service is continuous todate. He is at present in charge of the Gokak Canal - one of the important Irrigation system in the Karnatak - and his work has been found to be satisfactory.

No.G-50. Public Works Department,
Belgaum, 18th January 1945.

Subject:-Messrs. K. G. Heblikar,B.A. and V. N. Yadappanawar,B.Sc., Sub-Divisional clerks.

In this Circle there are at present the marginally noted two Sub-Divisional clerks belonging to the Advanced class who on account of their being overaged at the time of their last appointment to continuous service have been debarred from being made permanent and are continuing as temporary Sub-Divisional clerks in the last grade of Rs. 25-5/4-55. By reason of their being continued as temporary clerks they have also not been promoted to the higher Sub-Divisional clerical grade of Rs. 25-5/3-75 to which they would have been entitled long ago on the score of their length of service, satisfactory work and their higher academical qualifications. This promotion has been denied to them because their juniors when promoted to permanent Establishment become their seniors as under clause (iii) of G.R.(F.D.) No.5708, dated the 26th August 1942 temporary men cannot claim seniority over permanent men, who therefore got the promotion to the higher grade. The two clerks referred to, unless they are made permanent, cannot aspire even to get a higher pay than Rs. 55/- in the Sub-Divisional Clerical Establishment nor can they be promoted to the Divisional clerical Establishment on a higher pay scale in view of the orders issued in para 2 of Government Memorandum No.4852/36-E, dated the 6th January 1941.

Name of clerk	Educational qualification.	Date of last appointment to continuous service.	Date of birth
Mr.K.G.Heblikar	B.A.	19th March-1938	5th January 1912
" V.N.Yadappanawar	B.Sc.	8th August 1938	22nd November 1908

2. These two clerks could not get the benefit of the general relaxation of the prescribed age limit granted by Government in clause (e) of G.R No.3140/36, dated the 12th December 1939 as they could not be appointed against the 51 posts of Sub-Divisional clerks made permanent in G.R.No. 3140/36, dated the 15th May 1939, there being at that time their seniors in service who were appointed to those posts. Subsequently general relaxation from the prescribed age limit was again allowed by Government in their Resolution Nos. 3486/36 and 3260/36, dated the 19th November 1943. But then too these two clerks could not get the benefit of the

relaxation because the temporary posts of clerks made permanent therein were those from the Divisional Establishment while the two clerks in question were then borne on the Sub-Divisional Clerical Establishment. Although at this time they were seniors in point of service, they could not be appointed to those posts in view of the orders in Government Memorandum of 6th January 1941 referred to above.

3. From the above, it will be seen that unless these two clerks are brought on to the permanent establishment, all prospects in life to which they might hope for by reason of their academical qualification and efficiency in service, are marred. The Executive Engineer under whom these two clerks are working has reported that they are very useful clerks quite fit for being made permanent. Mr. Heblikar particularly being not satisfied with his present job has asked for the permission of this office to seek his fortune elsewhere and it is not known when the other clerk Mr. Yadappannawar will follow suit.

4. In view of the present pressing need for experienced clerks particularly in the Sub-Divisional clerical establishment service, which is not at all attractive, looking to the very low scale of pay, this Department cannot afford to lose the services of these two experienced and capable clerks who have been managing the Sub-Divisional clerk's duties very efficiently.

5. In the circumstances, I support the recommendation made by the Executive Engineer and would earnestly request that Government may kindly be moved to grant, as a special case, exemption from the prescribed age limit in their cases.

In the circumstances explained in his letter under disposal the S.E.,S.C.requests Govt.sanction to the relaxation of the prescribed age limit in the cases of Messrs.K.G.Heblikar,B.A., and V.N. Yadappanawar,B.Sc., tempy.Sub-dnl.clerks for the purpose of their apptts.on the pt.estabt.

2. It may be stated that according to the orders issued in para.1(2) of G.R.,P.& S.D. No.4083/34,-IV, dated the 25-8-43, as modified by G.L.,P.W.D.No.4906/36-E(II)dated the 9-10-44, with effect from the 1-9-43, 50 % of permanent vacancies in the Subordinate and Inferior services (except the S.S.E.)in this Deptt. which are normally open to public competition are to be kept substantively unfilled with a view to their being made available after the war to candidates with approved war service. They are to be filled on a tempy.basis for the duration of the war. The remaining 50 p.c.unreserved vacancies are also to be filled on a temporary basis for the duration of the war and are to be filled permanently after the war by selection from among the persons who have been holding them on a temporary basis as well as from among the candidates with approved war service. (In the case of the S.S.E. the reservation of permanent vacancies is 25 p.c. The remaining 75 p.c.permanent vacancies are to be filled permanently as they occur.)In view of this the sub-dnl.clerks referred to in para.1 above can not be made permanent during the period of the war. It seems that the S.E's intention is to make them eligible for permanent apptts. so that they will not resign their present apptts.

3. In the circumstances it is for consideration whether the S.E's.request may be sanctioned in u.o. consultation with the P.& S.D. and F.D. and his attention may be invited to the orders issued in the G.R.referred to in para.2 above. If so, the draft put up may issue after u.o.r. to the P.& S.D and the F.D.

Subject:-Additional Temporary Clerks for the Divisional office, Belgaum.

Of the two posts of temporary clerks sanctioned in Government Letter No.5854/36-E(I), dated 20th April 1945, the Executive Engineer, Belgaum Division, has, after public advertisement, secured the services of one Mr.G.D.Tembulkar having a speed of more than 50 words a minute for the post of the Typist-clerk as no other Typist was available. He however belongs to the advanced class and is 26 years of age

2. Sanction may kindly be accorded to exempt him from the prescribed age limit of 25 years as required by G.C.N. No.1672/36 dated 12th May 1938.

3. As regards the post of Temporary Audit Clerk no suitable candidate from outside is available and none of the existing clerks in the last grade can be promoted to the post as explained in my endorsement No.G-47 dated 31st August 1945.

4. As the Executive Engineer, Belgaum Division, needs badly the services of an Auditor, it is proposed to reemploy Mr.G. D. Joshi, late Head-clerk in the Kanara

Division, who has expressed his willingness to accept the post on condition that he may be posted to the Divisional office, Kanara. In view of the non-availability of any other experienced outsider to accept the post, I am, in anticipation of Government sanction, transferring the post of the Temporary Audit Clerk to the Kanara Division and in exchange one permanent clerk in the grade of Rs.75-5-100/Rs.70-5-95 from that office is being transferred to the Belgaum Division to which sanction may be accorded to avoid audit objection.

Karwar, 8th November 1945.

The Secretary to Government,
Public Works Department,
B O M B A Y.

Humble application of V. S. Kole, Tracer,
Executive Engineer's Office, Karwar.

Most Honoured Sir,

I most humbly and respectfully beg to lay before your Honour, the following few facts for favour of kind and sympathetic consideration.

On resigning the post of a Shanbhog, in the Revenue Department, I joined the Public Works Department in 1930, as a tracer with the happy dreams of future prospects as the post was, though temporary, a continuous one; but unfortunately, within a very short period, I was smashed by the cruel hand of fate and I was discharged from service consequent to the retrenchment arising out of the abolition of Dharwar Irrigation Division. My age when I joined P.W.D. was 25 years, my date of birth being 19-4-1905. Thus I was then within the prescribed age limit, I being a Vaishya (Konkani speaking) by Community (Intermediate). In 1932, came in the G.R., F.D., No.3092 of 9-7-1932, protecting the rights of retrenched hands. With that ray of hope in view, I eaked out the terrible days of my unemployment. In 1937, some vacancies occurred and I expected that I would be taken up in service, at least then; but as bad luck would have it, inspite of the G.R. referred to above fresh hands were taken up depriving me, a retrenched hand - of the employment. This had badly told upon my prospects, for no fault of mine. I was actually taken up in 1939, as a tracer on the work-charged establishment and since then I am in continuous service (from August 1939 to 31-3-43 on work-charged establishment and from 1-4-1943 to date on the temporary establishment). My total service comes to 7 years and 9 months (6 - 3 continuous service since August 1939 plus 1 - 6 (Officiating vacancies) prior to August 1939.) If I was taken up in 1937, I would have completed about 6 years by 1-4-1943 and could have enjoyed the benefits of the G.R., P.W.D., No.3260/36 of 19-11-1943 (i.e., relaxation

relaxation of prescribed age limit and confirmation as a tracer thereafter), in preference to those taken up in service in 1937, I being a retrenched hand. The tracers employed in 1937, are now made permanent, under the G.R., referred to above, and I, though joined the department, seven years prior to their appointment and eligible for the concessions of retrenched hands, am deprived of a permanent Tracer's post, the reason put forth being that I was age barred since 1939 (i.e., from the date of my continuous service, after my reinstatement). From the above, it may please be observed that I had to be unjustly a victim to the circumstances beyond my control.

Ours is a community of illeterate petty village tracers. There are only a couple of matriculates in our Community. Graduates— there are Nil. My present condition is such that I feel it an impossibility to maintain myself and the family without the Government services. I humbly hope that Government will be pleased to take into consideration my peculiar circumstances and relax the age limit in my case.

For the above act of kindness, I shall ever remain grateful.

I beg to remain,
Sir,
Your most obedient servant,

YSK Sole

Respectfully submitted through the Executive Engineer, Kanara Division, Karwar and the Superintending Engineer, Southern Circle, Belgaum.

2. The facts put forth by the applicant are genuine and since he is a retrenched hand and was within age when he was first employed as a tracer on the Temporary establishment in the year 1930, Govt., may kindly be moved to relax his age limit as a special case.
